**DECEMBER 2005 HEALTHY HOLIDAY EATING:** For many people holidays and family gatherings are a time for celebration. These celebrations often involve foods that are high in fat, sugar and calories and short on nutrition. With a few minor changes however, special occasion foods can be both delicious and nutritious.

Hardcopies of the Healthy Holiday Eating packet including a section with links to healthy recipes will be available at all medical and fitness facilities. If you or your department/organization would like to be added to the monthly packet hardcopy distribution list, please call Kris Calderon at 867-3414. The packet will also be available on the new HEWP website: <http://hewp.ksc.nasa.gov>

The packet will also be available on the new HEWP website: <http://hewp.ksc.nasa.gov>

**NUTRITION EDUCATION FOR WORKERS AT THE SPACEPORT (N.E.W.S.) PROGRAM:** The N.E.W.S. program was created to educate workers at the spaceport about nutrition. The program includes a comprehensive website with an e-mail mechanism to ask nutrition questions, monthly lectures, and special events. Check out the current NEWS website at <http://hewp.ksc.nasa.gov/Content/NEWS/NEWS.htm>

**HEALTHY HOLIDAY EATING WORKSHOP:** The December N.E.W.S. (Nutrition Education for Workers at the Spaceport) workshop will be on Healthy Holiday Eating. The workshop will be held on Wednesday, December 14th from 11:30 am to 12:30 pm in the OHF Library Conference Room.

**HEALTH EDUCATION INFORMATION TABLE:** The monthly health education table will be set up in the Cape Food Court on December 15th from 11:00 am to 1:00 pm where HEWP staff will distribute healthy holiday information and the women's health topic, overactive bladder.

#### FUEL FOR WOMEN:

**Fuel 4 Women Newsletter:** This month's *Fuel 4 Women* newsletter is overactive bladder. The newsletter will be available at all spaceport clinics and fitness centers and will be distributed at this month's Health Education Information Table.

**Walking Groups:** The walking groups will continue through December 14, 2005 and will resume on January 9, 2006. Come walk with us and keep fit for the holidays!

**Mondays -3:00 pm-4:15 pm- O&C (trail in front of O&C)**

**Wednesdays- 12:00 pm-12:30 pm- O&C trail**

**Fuel 4 Women List Serve:** All women at the spaceport can join the Fuel 4 Women list serve where monthly newsletters and program announcements will be e-mailed to list serve members each month.

Please contact Jessica Crews, Health Education Intern at [Jessica.Crews@jbosc.ksc.nasa.gov](mailto:Jessica.Crews@jbosc.ksc.nasa.gov) for more information about or ideas for *Fuel 4 Women* and to join the list serve.

**\*HEWP Website Update\*:** The HEWP website has a new look and is now available both internally and externally to the KSC firewall! The new website is: <http://hewp.ksc.nasa.gov>.

**STRESS MANAGEMENT WORKSHOP:** Any employee group can request delivery (at any time of the year, during the workday) of a newly developed, interactive workshop designed to teach employees how to handle stress at their workplace and in their lives. The workshop can be condensed to 30 minutes or extended to more than an hour for optimizing coping and relaxation skills.

Kris Calderon, PhD, CHES, BCIAC, KSC/CCAFS Health Education Administrator will be offering this workshop. Kris is certified in biofeedback and has used relaxation training for stress management in her teaching, service, and research. If interested, please contact her at 867-3414 or e-mail at [Kristine.Calderon@jbosc.ksc.nasa.gov](mailto:Kristine.Calderon@jbosc.ksc.nasa.gov) for more information. The workshop can be delivered in any worksite setting.

**DECEMBER VISION SCREENING SCHEDULE:** No appointment is necessary. Visit the OHF during this time and ask for a vision screening.

Tuesday          December 13          11:00 am-1:00 pm

**WORKSITE LECTURES:** Work-site lectures on any health subject and requests for health information or counseling are available upon request to Kris Calderon, phone: 867-3414, e-mail: **Kristine.Calderon@jbosc.ksc.nasa.gov**. (TA-C2)

**INTERNATIONAL TRADE AND COMPLIANCE TRAINING ON FLORIDA'S SPACE COAST:** The Space Coast World Trade Council will hold its 9th Annual Fall Regulatory Review on December 6-8, 2005. On December 6th, two half-day courses will be offered on Export Basics and Import Basics for those new to the field and for review. The conference focus on the 7th and 8th will be on a broad spectrum of import/export regulatory and compliance matters of current interest to Government and companies whose employees are involved with international trade in commodities and technology and who are concerned with compliance with the regulations and laws of the United States.

This national event will be held in Cocoa Beach, Florida, at the Courtyard by Marriott's new Conference Center. The half-day programs on the 6th are \$45 each. The fee for the main conference on the 7th and 8th will be \$375 for non-members and \$300 for Council members. Government employees pay \$300. The luncheon on the 7th, with its featured speaker, is \$35 if taken alone but is included in the main conference fee. Cancellations received before November 21st will be refunded in full: we will deduct \$30 for all cancellations received after that date. On-site registration will be available at \$30 additional for non-members and Government employees.

**UNIVERSITY OF FLORIDA(UF):** Registration Now Open for Online Engineering Courses Offered by UF EDGE for Spring 2006 Semester. Registration is now open for the spring 2006 semester courses available through the University of Florida College of Engineering UF EDGE (Electronic Delivery of Graduate Engineering) program. Registration ends January 6 and classes begin January 9, 2006. Course listings and syllabi are available at <http://ufedge.eng.ufl.edu>.

UF EDGE offers flexible online programs for busy engineering professionals. Program areas include: electrical engineering; general computer engineering/computer science; computer engineering/computer science with an emphasis on bioinformatics; civil engineering; environmental engineering with a specialization in water resources planning and management; mechanical and aerospace engineering with specializations in thermal fluids transport and in solid mechanics and design; and in materials science and engineering. Graduate certificate programs in environmental policy and management and in materials science and engineering are also available.

**UNIVERSITY OF MIAMI (Cape Canaveral Programs):** The University of Miami will begin accepting applications for the Master of Science in Management of Technology (MSMOT) starting February 2006 and the Master of Science in Industrial Engineering (MSIE) starting March 2006. Both programs will be taught in Cape Canaveral. Courses are held Friday evenings and Saturdays to accommodate working professionals. For more information and to receive an application/brochure, please call Mr. Augusto Roca, Program Administrator at -305-284-4100 or send email to [augusto@miami.edu](mailto:augusto@miami.edu)
